

A dark, textured ceiling with a large black circular ring and several smaller circular recessed lights. The ring is centered and contains the text "Bespoke events". There are eight smaller circular lights arranged around the ring, four on each side. The ceiling has a grid pattern and some visible cracks.

## Bespoke events with a personal touch...

Introducing the new Paddington Works event space - combining innovative design with sustainable principles.

A space that's as versatile as your changing needs with a dedicated team on hand to help you with every creative detail.

Our Auditorium, with a 4 metre screen and 4K projector, seats 80 guests for a unique screening experience, but fold away the walls and the space opens up onto two floors, with a dedicated bar on each.

Comfortably hosting up to 200 guests, for a refreshing event experience that is completely customizable.

## The little extras...

We tailor our packages to suit your needs and our team will always be on-hand to help provide all those little touches.

Think – entertainment, personal branding and styling, with a variety of food and drinks options to match.

### Captivating entertainment

Connecting you with the best in business - we know the right live band for your company party or branded flash mob for your product launch and will arrange everything from start to finish.

### Innovative food and drinks

From canapés to food stalls, we can tailor everything to your brand or unique style – master classes, mixology workshops – there are no limitations here!

### Setting the scene

Standing, seated, ball pit?

Transform the space to suit your function, decorate to match your brand or style it with a fully themed event.

We are here to deliver the finishing touches – from up-lighting to centre pieces or branded vinyl's to marketing projection walls.
