

Private Studio

Our fees start from £550/month per desk covering bespoke designed Studio furniture, heating, fresh air con and tea and coffee in the hi-spec kitchens.

We offer exclusive private studio spaces within a stimulating, collaborative environment where you can share ideas with similar disruptive and creative minded businesses.

Our studio fee is all-inclusive, and the bespoke workstations feature everything you need to grow – from digital plates bringing a dedicated network (10 GB) to each studio with wireless charging ports on the bespoke designed adjustable desks and award winning ergonomic HAG chairs.

The studio you are interested in also comes with a couple of extras – acoustic proofing and individual aircon control.

Dedicated and Hot Desks

£450/month for a dedicated desk and £350/month for a hot desk

Our collaborators will benefit from an all-inclusive fee, and the bespoke workstations feature everything you need to grow your business ideas.

Day and Week Passes

Need a space for the day or a week? We offer flexible options if you need somewhere to work from £120 for a week (5-day) pass and £25 for a day pass.
